*Hi Everyone*

*Cutting the cake*

What a fantastic evening! Thank you, all, for whatever part you played in our surprise celebration. Eighty people participated, dancing, talking, reciting, singing, socialising. "The best ceilidh, yet", was uttered by several people at the end of the evening.

Although the planning had begun some six months ago, Liz had no idea that we had this celebration in mind, and that is due to everyone keeping "mum". We all agree, I'm sure, that Liz is worthy of the congratulations she has received.

She took over as dance teacher 25 years ago this week (14th January) - on a temporary basis - for one month only, for the first half of the evening, later agreeing to take over on a permanent basis. She probably didn't realise what she was letting herself in for! I'm sure that we are all very grateful for her patience, her humour, her dedication, her gentle persuasion; not forgetting "that's the dance" catchphrase at the end of each walk-through

Thank you, all, once again, for making this such a wonderful Society, and one of which I am proud to be a member.

With best wishes,
